

OSG User support updates

Suchandra Thapa

Updates to OSG OASIS modules

- Added PyYAML to modules for python (Paul)
- Added h5py to modules for python (Jonah Bernhard)
- SAGA
 - Working on dependencies for SAGA
 - Currently stuck on getting wxGTK (and GTK/Gnome libraries)

Xenon1T Updates

- Added clhep libraries (2.1.0.1, 2.2.0.8)
- Added Geant4 9.4p02
- Working on getting xenon1t software compiled and exploring best ways to distribute

Freesurfer

- Obtained access to comet
- Installed freesurfer and can run tests using tutorial data
- Waiting on Don to get access to his scripts/data for testing
- In parallel, installing freesurfer on OASIS
